

GENERAL INFORMATION

This publication lists all periodicals held by the Marion Campus library and indicates the holdings. The Title List has all titles in alphabetical order. Cross- references are shown for periodicals that have changed their names. Holdings in microfilm or microfiche are noted. Open dates like "1982--" shows that the library has the periodical from 1982 to the present. "1983-'85" shows that the title was received only for that period. The Subject List lists the periodicals according to subject. Some appear on more than one list. The asterisk indicates a current subscription.
